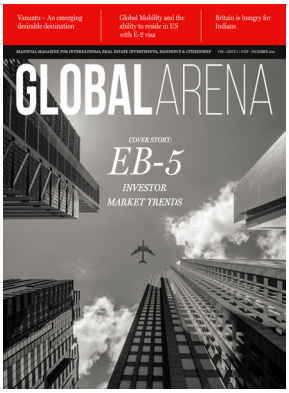
GLOBAL ARENA

Biannual magazine for International Real Estate Investments, Residency & Citizenship for the Indian market



GMN Media, the organisers of **International Real Estate Expo (IREX)** and **International Residency & Citizenship Conclave** bring you a new informative magazine dedicated to international investment opportunities, residency & citizenship by investment options in countries across the globe for Indian residents.

The magazine is an initiative of to educate Indian readers on the benefits of International investments in real estate, familiarise them with Residency and Citizenship by investment programs, opportunities of investment in international FTZs and advantages of setting up offshore companies. The magazine will come out twice a year and will serve as a ready reference for Indians by giving them information about various property investment options, residency & citizenship programmes of various countries, comparative analysis of different programs, country profiles, new destinations, US EB5/E2 Visas, Golden Visas besides investment in foreign shores, setting up companies, conducting offshore business, etc.

DISTRIBUTION

First Issue	Circulation	Readership
July 2021	10,000	60,000

The magazine will be circulated across major cities of India viz. Mumbai, New Delhi, Bangalore, Ahmedabad, Chennai, Hyderabad, Kolkata etc.

The magazine will be available to all the visitors of the IREX show free of cost and will also be distributed through online subscriptions and conventional distribution channels.

The magazine will also be available on Magzter which is the world's largest digital newsstand with over 75 million users globally and over 7 million users in India.
